

# Kraken Rules *Cupar Sub Aqua Club*

1. Voyage planning sheet and checklist must be completed prior to collecting Kraken.
2. There must be at least two boat handlers present on any trip and at least one of these handlers must be present in the boat at all times (RYA Powerboat II / BSAC Boat Handler or above). Both handlers must have appropriate familiarity with Kraken prior to launch.
3. Hand held VHF must accompany Kraken on all trips. There must also be at least one qualified VHF operator on board. This person should ensure someone else is capable of making emergency calls should the need arise whilst he/she is underwater.
4. O2 kit must be onboard at all times and each trip must have at least one qualified O2 administrator.
5. The coxswain has ultimate responsibility for the safety of crew and vessel whilst underway, the dive manager is responsible for nominating this person.
6. Kraken is a non-smoking vessel.
7. Any damage or malfunctions must be reported to boat officer.
8. Maximum Loading:
  - 6 divers with twins (a dedicated cox'n can be used to make 7 persons onboard)
  - 8 divers with singles
  - For combinations consult the boat officer
9. Illegal or irresponsible behavior, including any behavior likely to bring the club into disrepute, will not be tolerated.
10. Failure to observe these rules will result in suspension or banning from boat trips.
